MAKE DEBUT . . . Appearing publicly today, as part of a puppet show being put on by local marionette pupils of the Recreation Dept. under the direction of Miss Amy Ferrone, are Melodie Luedloff, 8, and the "Witch" puppet she created. The series of park puppet shows will be staged at McMaster, El Nido and Torrance Parks today, and at other parks within the next few weeks.

Puppet Pupils Present Plays At Park Today

Puppets made by a group of Torrance children will have their first fling at appearing publicly when they perform today at three local parks. Depicting fairy-tale and story-book dramas at McMaster, El Nido, and Torrance Parks today and at other parks in the city within the next few weeks will be the marionettes made by the children enrolled in Miss Amy Ferrone's puppetry class sponsored by the Torrance Recreation Dept. The class has been meeting for the past month at the Arts and Crafts Center.

Halldale Places In Harbor Meet

Halldale elementary school competed with seven other harbor area schools in a track meet and splinter derby last week at 223rd street school. Halldale's relay team took fourth place with John Brock, Mike Hainline, Gary Hainline and Tony Riviera handling the baton. Linda Ren took second place in the fifth grade 40-yard dash while Kathy Robinson placed second in the same distance for sixth grade girls. Model '59 Fords were given as prizes to Carl Watson and Doug Swanson for placing in the splinter derby.
